CONFERENCE CIRCULAR 2**

Regional Constitution

Dear friends

At its meeting on 9-10 November 2012, the European Committee examined the Regional Constitution in light of the changes made to the World Constitution.

1. Attached are the proposed changes to the Regional Constitution made by the European Committee – as a separate document and as a document with the changes underlined.
2. In the Additional Rules of Procedure, there are additional changes, to conform to the World Constitution
3. NSOs are invited to make additional proposals for changes to the Regional Constitution.
4. NSOs are also invited to make additional proposals for changes to the Additional Rules of Procedure.

To comply with the Regional Constitution, any proposals for changes should be advised at least four months prior to the start of the Regional Conference, i.e. by 16 April 2013 at the latest. Such proposals will be shared with NSOs as soon after as practicably possible, including any rationalisation of multiple proposals.

NSOs are encouraged to discuss the proposed changes with Committee members and the Regional Director in advance of the four-month deadline.

Yours sincerely

David McKee
Regional Director
